

# Just One Person

Just one person believes in you  
Deep enough and strong enough  
Believes in you  
Hard enough and long enough  
Before you know it  
Someone else will think  
If he can do it, I can do it  
Making it two, two whole People  
Who Believe in you

And if two whole people believe in you  
Deep enough and strong enough  
Believe in you  
Hard enough and long enough  
There's gonna be some other person  
Who believes in making a threesome  
Making it three people  
You can say, believe in me

And if three whole people  
Were not not four  
And if four whole people  
Were more and more and more

And when all those people, believe in you  
Deep enough and strong enough  
Believe in you  
Hard enough and long enough  
It stands to reason  
You yourself will start to see  
What everybody sees in you

Then may be even you can believe in you
